Family Life Education for Secondary Students

Fertility Education

Natural Fertility Services has educators who are trained to provide fertility education to schools for:

Students – Our educators speak to students about their gift of fertility and their right to have full and accurate knowledge about these topics:

- Anatomy and Physiology
- Preparation for Menstruation
- Sexuality
- Male Fertility
- Fertility Awareness
- Natural Family Planning
- Male/Female and combined fertility
- Family Planning Methods
- Values and Decision-making
- AIDS and STIs.

The needs of the students are discussed with the teacher and each presentation is tailored to the appropriate age group. **It must be realised that not every topic can be covered in one session.**

Adult Groups – Some schools prefer a speaker who is prepared to speak to staff and/or parents about fertility awareness to assist both teachers and parents in their own discussions with students/children.

“ Sexual Education is an integral part of formation about love and includes the necessary education to chastity, the values of marriage and family, respect for life and vocational orientation. ”

*Pontifical Council for the Family
Vatican City, 20 Dec. 1995*

“ Parents have an extraordinary opportunity to help their sons and daughters to become aware of love and respect for others through the witness of their mutual love. ”

*Pope John Paul II
Vatican City, 8 Dec 1995*

“ Our Educators are trained to provide information and skills-based sessions on fertility, sexuality and family planning which are consistent with the philosophical stance of the Catholic Church. The sessions are designed to challenge the values and decision making behaviour of adolescents. ”

NFS, Sydney

Cost

Natural Fertility Services is available to provide sessions on the topics listed to fit in with any school program. It is necessary, however, to book early to avoid disappointment.

Cost: \$180 per session per educator

When your application is received, contact will be made to confirm the date and time of the presentation or to make alternative arrangements.

Booking form
